Dear Professor

STAT

We are pleased that you can participate in our conference on Balkans Regional issues on June 11-13 1985. It will be held at CIA Headquarters beginning with a dinner the evening of June 11 (cocktails at 6:30, dinner at 7:30), continue June 12, from 9:00 am to 5:00 pm, and conclude June 13, with a 9:00 am to 12:30 pm session. The dinner on June 11 will provide an opportunity for you to meet the other panelists, and will be highlighted by a keynote address by Ambassador Robert Barry.

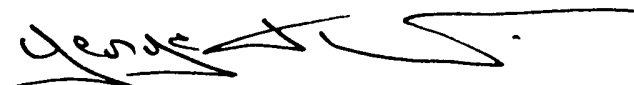

You have agreed to present a 15-20 minute overview of "Yugoslavia: Five Years after Tito." The attached agenda indicates the approximate time of this session. We are especially interested in the implications of your findings for US interests. As the audience will be reasonably knowledgeable about past and current trends, provocative forecasts are welcome. It is to be understood that all remarks will remain confidential. We are not requesting formal papers for the conference, but would appreciate an outline of your major themes to help us to organize our preparations. Your active participation in other panel discussions is encouraged, but all panelists are not expected to comment on every topic. After the panelists' comments, we will open the meeting to questions from the audience.

In keeping with standard government policy, the remuneration for your participation as a panelist will be \$250 per day. In addition, we will reimburse you for travel expenses (economy air fare), lodging and meal costs not to exceed \$75 per day, and incidental expenses such as taxi fare. At the conference, reimbursement forms will be distributed for you to mail back to us. (Receipts are required for amounts over \$15).

Please call  to confirm your participation. He will also respond to any questions you may have.
